A GREAT RECORD

Dr. Leonhardt's Internal Pile Remedy
Makes 98 Per Cent. of Cures

Dr. Leonhardt's Hem-Roid has been tested
in several thousand cases and was successful
in all but 2 per cent.

Hem-Roid's wonderful record is due to the
fact that it is an internal remedy. The cause
of piles is internal, and it is too much to ex-
pect to cure piles with ointments, supposito-
ries or operations. Hem Roid cures the in-
ternal cause.

UNHAPPINESS DISPELLED.

Men and Women Unanimous About It.
Many women weep and wail and refuse
to be comforted because their once mag-
nificent tresses have become thin and
faded. Many men incline to profanity
because the flies bite through the thin
thatch on their craniums. It will be good
news to the miserable of both sexes, to
learn that Newbro's Herpicide has been
placed upon the market. This is the new
scalp germicide and antiseptic that acts
by destroying the germ or microbe that
is the underlying cause of all hair de-
struction. Herpicide is a new prepara-
tion, made after a new formula on an
entirely new principle. Anyone who has
tried it will testify as to its worth. Try
it yourself and be convinced. Sold by
leading druggists. Send 36c. in stamps
for sample to The Herpicide Co., De-
troit, Mich.

DOUBLE TRACK

For the C. and O. From Newport
News to Covington—Vast Im-
provements in Sight

A New York dispatch says more important
than the increased dividend on Chesapeake and
Ohio is the broad campaign of extension now
being considered.

It is an assured fact that the Chesapeake
and Ohio will very soon extend its influence
from its Western terminus at Cincinnati to
the lakes and to Chicago.

At present, however, the efforts of the C.
and O. management will be confined to con-

nections at the lakes and at Chicago.

One of the first requirements of the Ches-
apeake will be to double-track all of its main
line from Fort Monroe, Va., to Covington, Ky.,
of which about 40%, or 270 of 663 miles, is
already double-tracked.

sailing in a small motor-boat, in an effort to
break all water-speed records from that city to
New Orleans by the Ohio and Mississippi rivers.
They will try to cover the distance of 1,564
miles in sixty hours, traveling by day only.

Are You a Procrastinator About Your Clothes and About Nothing Else?

The "wait-awhile" policy is not good in your business. It's not good in your social affairs. You are not a "procrastinator" in any affair which you consider important.

Why are you in the matter of buying your clothes?

Why defer the matter until all other things have been attended to? Is it because you think the other things more important? Or—WHY is it? Think it over—and then get interested today, for to "wait awhile" is to MISS a real buying chance—the best one in town by long odds.

LEWISBURG.

Quite a crowd from here went to Flemingsburg Monday.

Miss Lula Alexander visited friends in Mt. Carmel last week.

Mr. and Mrs. J. G. Lee were calling on their son, Charles, Sunday evening.

Forest Lee of Rectorville spent Saturday and Sunday with Mr. James Owens.

Riley Gaither, who has been confined to his home by sickness, is able to be up and about.

Mrs. C. H. Farrow and daughter of Mt. Carmel were the guests of her sister here last Sunday.

Mr. J. T. Smith and son of Maysville were guests of the former's daughter, Mrs. Garr Strode, Saturday and Sunday.

Cypriano Castro is again in Paris. His appearance indicates that he is suffering much physical pain.

In its Knights Templar News Notes The Ashland Independent says: "Maysville Commandery will be located on Bath avenue, with headquarters at the home of Judge John F. Hager and wife, and will give a reception on the beautiful lawn on Wednesday, May 19th, from 3:30 to 5:30 p. m."

The motorboat Br'er Fox II. broke all records for river craft between Cincinnati and Louisville, making the 158 miles in four hours, fifty-six minutes, an average of over thirty-seven miles per hour. The presence of much driftwood in the river, it is stated, prevented even faster time being made.

TRUTH TRIUMPHS.

Maysville Citizens Testify for the Public Benefit.

A truthful statement of a Maysville citizen, given in his own words, should convince the most skeptical about the merits of Doan's Kidney Pills. If you suffer from backache, nervousness, sleeplessness, urinary disorders or any form of kidney ills, the cure is at hand. Read this:

Mrs. John T. Wallingford, 108 Commerce street, Maysville, Ky., says: "Doan's Kidney Pills have been used in my family with most beneficial results and it gives me pleasure to corroborate the testimonial we gave in their favor some years ago. Doan's Kidney Pills afforded me great relief from kidney disorders and I have no hesitation in again recommending them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Candidates entered for the Democratic Primary May 14th are tramping grass these days and leaving no stones unturned that will rebound to their advantage. Some will be left at the post, others at the quarter and few will come under the wire, winners. There will be many sore and lame nags when the race is over.

The people of Kentucky, especially of Hodgenville and Laure county, are up in arms owing to the fact that an exact duplicate of the Lincoln Statue, made originally to occupy a place at Hodgenville, is to grace the campus of the University of Wisconsin. Adolph Alexander Weiman, the sculptor, reserved the right to make a replica, but it was not thought that he would insist on it. Now, however, a wealthy patron of the University, has secured a promise from Weiman that he will make a copy of the statue, and it will be put up shortly.

WEST VIRGINIA TOBACCO

American Company Said to Have Big Tracts of Land to Grow Weed

A despatch from Lexington says that according to report there the American Tobacco Company has leased immense tracts of land in West Virginia, between Wheeling and Huntington, and has put out over 200 plant beds to use this season. It is further reported that hereafter the Company will be independent of Kentucky as a producer of white Burley.

Kentucky is the greatest producer of white Burley in the world and the annual average output is over 100,000,000 pounds.

The American Tobacco Company has already withdrawn its country leaf department from Kentucky.
